

# Walk for SIDS

**1st Annual Walk for SIDS  
in Memory of Cody Thomas Arbour  
Saturday September 26th, 2009  
at the Perry Farm in Bourbonnais, IL.  
The walk will begin at 10:00 AM  
(registration begins at 8:30am)**

September 26th is the date that Cody left his family and friends last year; so it is an important date to many people. That is why we are holding the walk on that date. We want to raise awareness with as many people as possible about SIDS; and what can be done to reduce the risk of it happening to a baby they care about.

Each participant will have the choice of paying a \$25 registration fee OR by finding people to sponsor them in their walk for the cause. The money we raise at the 1st Annual Walk for SIDS in Memory of Cody Thomas Arbour will allow us to continue to educate more people about SIDS and Safe Sleep for Babies.

We welcome individual walkers and teams of walkers.

Please tell all of your friends and family about the walk and encourage them to come out and walk for SIDS in memory of Cody too.

You can register for the Walk for SIDS in memory of Cody Thomas Arbour and get additional details by going to [www.becauseofcody.org/events](http://www.becauseofcody.org/events)
